Photograph and Videotape Information

From time to time, we have special events such as musical productions, special assemblies, and other activities. We like to capture these special moments on camera and videotape. Pictures will be posted on the HHA website, in our building, and in the school newspaper and yearbook.

Walking Field Trip Permission Slip

There are times throughout the school year that teachers take their classes over to Patterson Park for activities such as field day, Audubon science lessons, Picnic in the Park, etc. In the lower grades, we may also take students on a walking field trip to briefly explore the neighborhood. Students are always supervised by Hampstead Hill Academy.

Please sign the attached signature page to give permission for your child to participate in walking field trips in the neighborhood.
